

Fredericksburg COMMUNITY CONCERT BAND

Welcome to the Fredericksburg Community Concert Band. We hope you enjoy our music and fellowship through a long and productive relationship. A few important bits of information...

- * **Annual Dues** are required to partially fund our operation. Upon acceptance of your application, \$35 are due immediately. If you join us after Labor Day, the amount for that year is \$15. Continuing members: \$35 due in January.
- * **Attendance** Even though the Corporation is a volunteer organization, its purposes cannot be fulfilled unless the membership is committed to regular attendance at both rehearsals and performances. If you can't make a practice or performance, please notify your section leader.
- * The **Concert Attire** depends on the venue. For our Summer concerts, khaki trousers and white short-sleeve polo shirts with the FCCB logo; for our Fall and Spring indoor concerts the dress is formal. Tuxedos for the men, floor length black for the women.
- * There are several opportunities for you to be involved in the operation of FCCB. In particular, we have three standing **committees**: Publicity, Equipment, and Fund Raising. Please speak with the Music Director or any Board member if you have interest or expertise in any of these areas.

Rehearsal , 7:00 – 9:00 pm on Wednesdays at Massaponax High School, is a critical time together. The expectation is that you will be diligently working on your music at home so that we can work as an ensemble on Wednesday evenings. Please bring a professional attitude to rehearsals. We all want to have fun, but excessive distractions will diminish our effectiveness.

There is a **Section Leader** for each area of the band. Please introduce yourself to your section leader and exchange contact information. This avenue for communication is very important.
